

# Puppy Shopping List

During the first 6 weeks of training I will be using the items on this list to train your puppy. You should have them too, so that you are able to practice at home and do your homework. Let me know if you need help finding items or you would like me to provide them.

- Crate
- Tether
- British Walker Leash
- Treat bag for your waist
- Small, tasty training treats
- Food dispensing toys
- 10 chew toys, at least 3 Kongs
  - Chew toys are indestructible.
- Antlers, stuffed sterile bones and Bully sticks
- Squeaky tennis balls, appropriate size for your puppy's mouth
- A soft tug toy (not rope)
- Brush
- Puppy toothbrush and toothpaste
- Ear wipes
- A bed (not in crate)

In general, you will also need:

- Puppy food-bag of kibble your breeder or rescue suggested
- A water bowl (no food bowl)
- Poop bags
- Collar and tag
- No pull harness
